

Medicare Annual Enrollment Period October 15th through December 7th 2018

Whether you have original Medicare, a Medicare Advantage plan, or Part D prescription drug plan, you have one opportunity each year to make changes. This opportunity is Medicare's annual enrollment period. **Annual Enrollment begins October 15th and runs through December 7th.** **Changes made during this time will become effective January 1, 2019.**

In the past year you may have changed medications or been diagnosed with a new medical condition. Either of those changes could mean that your current plan will no longer meet your needs. The cost of your Medicare plan might have changed too, and so this is a perfect time for you to review coverage and cost of the current plan and make the necessary changes to protect your health and your budget.

You can compare plans in your area or enroll in a new plan by visiting the www.medicare.gov website or by calling 1-800-Medicare (1-800-633-4227).

You can also receive help locally by contacting the State Health Insurance Assistance Program (SHIP) to speak to a certified benefits counselor by dialing (210)477-3275. By calling a SHIP counselor you will receive **FREE** and **IMPARTIAL** counseling to help you make your decision.
